For official use only

► **READ THIS FIRST**

**This form must be completed in blue or black ink.**

**Please follow the guidance notes carefully** and complete all questions as indicated. If you run out of space please use Part 7 – Additional Information.

UKvisas may take a decision on your application based on the information contained here without interviewing you. Therefore please ensure you submit all relevant documents (please see supporting documents guidance).

It is better to explain why you do not have a document than to submit a false document in its place. If you submit a false document it will adversely affect your application and your details and the document may be passed to law enforcement agencies in your country.

Your photograph must be:

- Passport style and size (45mm high x 35mm wide)
- A recent and true likeness, showing full face, with no hat, helmet or sunglasses, although you can wear everyday glasses
- Taken against an off-white, cream or light grey background so that your features are clearly distinguishable against the background
- Printed on low-gloss, plain-white photo-quality paper (with no watermarks or embossing)

Photographs that do not conform to these standards will be rejected and may cause a delay in processing your application.
