However, if you are being evidenced at an alternate immigration overseas mission or you are able to travel label free, please include a 'certified true' copy of your passport biodata and visaed pages with this application. The passport must be valid for at least the duration of your intended visit to Australia;

 - courier (please check with the office where you wish to lodge your application regarding courier arrangements).

Additional documentation checklist

You should be aware that under the *Migration Act 1958*, decision-makers are not obliged to request additional information from the applicant before making a decision on a visa application. It is therefore recommended that you submit the following documentation with your application:

- ☐ evidence that there is a need for you to be in Australia for business purposes eg. a letter from your employer detailing the reasons for your visit and your proposed duties, a letter of invitation from the host organisation in Australia, an itinerary with contact details of the business parties **or** conference registration details;

Visa Application Charge

A fee may be payable by each passport holder. If a payment is required, the payment is generally non-refundable and it does not guarantee that your application will be approved.

To check the Visa Application Charge (VAC), see form 990i *Charges* available from the Forms section of the department's website www.immi.gov.au/allforms/990i.htm or check with the nearest office of the department.

Method of payment

In Australia

To make a payment, please pay by credit card, debit card, bank cheque or money order made payable to the Department of Immigration and Citizenship. Debit card and credit card are the preferred methods of payment.

Outside Australia

Before making a payment outside Australia, please check with the Australian Government office where you intend to lodge your application as to what methods of payment and currencies they can accept and to whom the payment should be made payable.

Residential address

You must provide the address of where you intend to live while your application is being dealt with. Failure to give a residential address in your application will result in your application being invalid. A post office box address will not be accepted as your residential address.

Health insurance

It is recommended that you take out health insurance for you and your family for the period of your stay in Australia. You will not be covered by Australia's national health scheme, unless you are covered by a reciprocal health care agreement.

If you are 70 years of age or over

In order to satisfy the financial requirements for these visas, you will be asked to provide evidence with your application that you have health insurance to cover your stay in Australia. More information about Australian private health insurance is available from the department's website www.immi.gov.au/visitors/

Vaccinations

If it is your intention to enrol your child in an Australian school or childcare centre (creche or preschool) during your visit to Australia, you are strongly recommended to carry certification of your child's vaccination status. Vaccination is recommended against polio, tetanus, measles, mumps, rubella, diphtheria, pertussis (whooping cough), haemophilus influenzae hypo (Hib), and hepatitis B. Certification may be sought at time of enrolment. **Note:** Vaccination against rubella is also recommended for women of child-bearing age.

Who can you include in this application?

You can include in this application any family members who will accompany you on your visits to Australia. Family members include spouse and unmarried dependent children.

Conditions

- You must answer all questions on this form honestly and completely. False or misleading information may lead to refusal or cancellation of your visa, or penalties while in Australia.
- Although your intended business activities may vary from one visit to another, condition 8112 (which is imposed on all 456 visas) prohibits the visa holder from undertaking any work in Australia that might otherwise be carried out by an Australian citizen or resident. Any work undertaken should be:
 - highly specialised in nature **and** not ongoing; OR
 - an emergency or urgent situation **and** not ongoing; OR
 - in Australia's interest.

To check if any proposed work satisfies the requirements of condition 8112, you should contact the nearest office of the department.

- If you are granted a **Business (Short Stay)** visa, the **8503 – No Further Stay** condition may be applied after an assessment of your application. This condition means that the holder of the visa on which the condition is imposed will not, after entering Australia, be entitled to be granted any other visa¹, while the holder remains in Australia.

Options for receiving written communications

You may authorise another person to receive all communications, both written and electronic, about your application with the department. You will be taken to have received any documents sent to that person as if they had been sent to you.

To do this you will need to complete Part G *Options for receiving written communications* and form 956 *Appointment of a migration agent or exempt agent or other authorised recipient*. For an explanation of what a migration agent or exempt agent or authorised recipient can do please read the sections below.

To change or end the appointment of your migration agent or exempt agent or authorised recipient you must promptly advise the department in writing. You can do this by using form 956 *Appointment of a migration agent or exempt agent or other authorised recipient*.

Authorised recipient information

An authorised recipient is someone you appoint to receive written communications about your application with the department.

All written communication about your application will be sent to your authorised recipient, unless you indicate that you wish to have health and/or character information sent directly to you.

The department will communicate with the most recently appointed authorised recipient as you may only appoint one authorised recipient at any time for a particular application.

¹ Except in extremely limited circumstances which are outside your control, or to engage Australia's protection obligation under the 1951 UN conventions relating to the status of refugees.

Migration agent information

A migration agent is someone who can:

- advise you on the visa that may best suit you;
- tell you the documents you need to submit with your application;
- help you fill in the application and submit it; and
- communicate with the department on your behalf.

If you appoint a migration agent, the department will assume that your migration agent will be your authorised recipient, unless you indicate otherwise.

Your migration agent will be the person with whom the department will discuss your application and from whom it will seek further information when required.

You are not required to use a migration agent. However, if you use a migration agent, the department encourages you to use a registered migration agent. Registered agents are bound by the Migration Agents Code of Conduct, which requires them to act professionally in their clients' lawful best interests.

Immigration assistance

A person gives immigration assistance to you if he or she uses, or claims to use, his or her knowledge or experience in migration procedure to assist you with your visa application, request for ministerial intervention, cancellation review application, sponsorship or nomination.

In Australia a person may only lawfully give immigration assistance if he or she is a registered migration agent or is exempt from being registered. Only registered migration agents may receive a fee or reward for providing immigration assistance.

If an unregistered person in Australia, who is not exempt from registration, gives you immigration assistance they are committing a criminal offence and may be prosecuted.

Migration agents in Australia

Migration agents in Australia must be registered with the Migration Agents Registration Authority (MARA) unless they are exempt from registration.

Migration agents outside Australia

Migration agents who operate outside Australia do not have to be registered. The department may give some overseas agents an ID number. This number does not mean that they are registered.

Note: Some Australian registered migration agents operate overseas.

Exempt agents

The following people do not have to be a registered migration agent in order to provide immigration assistance, but they must not charge a fee for their service:

- a close family member (spouse, child, adopted child, parent, brother or sister);
- a sponsor or nominator for this visa application;
- a member of parliament or their staff;
- an official whose duties include providing immigration assistance (eg. a Legal Aid provider);
- a member of a diplomatic mission, consular post or international organisation.

Further information on migration agents

Information on migration agents, including a list of registered migration agents, is available on the Migration Agents Registration Authority (MARA) website www.themara.com.au

You can also access information about migration agents on the department's website www.immi.gov.au
